

AMENDMENTS TO THE DRAWINGS

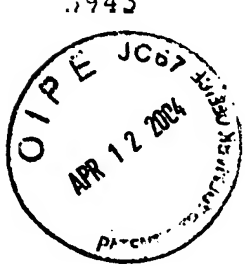

Figures 10 and 12 of the drawings are amended to delete a second reference numeral 24 and its lead line, the numeral 24 having been duplicated in the drawings as originally filed.

These changes are shown in red ink on the attached copy of the third sheet of the original drawings, which is marked "Annotated Sheet Showing Changes". Approval is respectfully solicited.

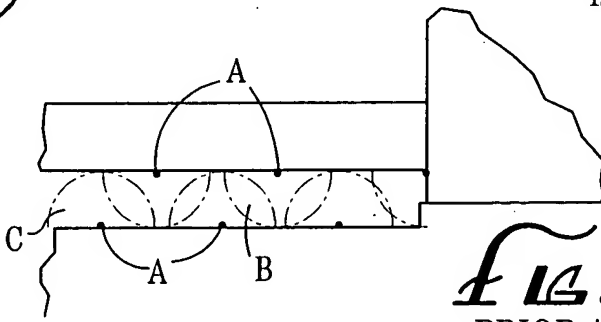

Submitted herewith are clean, clear lined bond copies of the four sheets of drawings (Figures 1-13) to replace those originally filed herein which are all marked "Replacement Sheet".
